Where are the free resources?

Open Access Library lists online journals and magazines, patient handouts, electronic books, and free research articles on many topics

More Resources links to practice guidelines, chiropractic organizations, health Web sites, and more databases

How can I get help with publishing?

More Resources/Getting Published links to expert advice and helpful tools

Where can I send comments and ask for help with literature searching?

Contact Us/Ask a Librarian
(privacy assured)

Some journal articles are free online, but many require a subscription

Get the full text

Here's how ...

Consider subscribing to print or online journals. Subscriptions for individuals are reasonably priced.

or

Contact a library, at your alma mater, or in your local region. See **About Us/CLC Member Libraries**

Every library sets its own fees for document delivery.

Additional copyright fees may apply. Ask your librarian for details.

or

Order online articles from the publisher. Some publishers of online journals do not permit libraries to deliver electronic documents such as PDF files.
