Database & Web Site Updates

Highlights from March 2011 – March 2012

- **March 2011** ~ Google translation feature installed, enabling users to translate ICL Web pages into 50 languages (\$100)
- **May 2011** ~ Global edit feature for journals added to the administrative function; necessary due to publishers changing content management systems and thus all links to articles, e.g. *JVSR*, *JCH*, *JCE*, *JCCA* (\$600)
- ~ Order of display of results by journal reversed; now results display with latest issue first, as in other databases (\$300)
- **August 2011** ~ Major server upgrade completed at our host site; keeps ICL site running quickly and smoothly

Database & Web Site Updates cont'd

- **September 2011** ~ Anne Taylor-Vaisey presented *How Social Media Sites Help Attract Users to ICL* at the Annual Professional Practice Day, Health Sciences Information Consortium, September 14, University of Toronto
(http://www.library.utoronto.ca/hsict/lectures/Anne_Taylor_Vaisey_Chiropractic_Literature_09_14_11/)
- ChiroSearch, a Google custom search engine was created by the Web Editor, September 15; it searches many of the pages to which we link through the ICL pages; a value added feature for ICL
(<http://www.chiroindex.org/web-resources/chirosearch>)
- ~ All permissions from the publishers to reproduce abstracts were reviewed by Editor Phyllis Harvey; all permissions are in order, including the new McCoy Press journals

Database & Web Site Updates cont'd

- **October 2011** ~ ICL's Facebook page celebrated its first anniversary 
- ~ Copyright statement was updated on ICL (\$21.25)
- **November 2011** ~ Indexers were assigned for some of the McCoy Press journals
- ~ Annette Osenga indexed all the *Chiropractic Economics* annual fees and reimbursements reports, from 1998 to the present
- ~ Anne Taylor-Vaisey updated the Chiropractic Library Collaboration blog (<http://clibcon.wordpress.com>)
- **December** ~ Ann Kempke cleaned up the “orphan subject headings” in ICL; helps make the database much cleaner
- ~ Google Ajax Translation replaced original feature; now users may translate search results as well as ICL Web pages (\$100)

Database & Web Site Updates cont'd

- **January 2012** ~ A new WYSIWYG editor for the notes field of the online indexing form was installed; now indexers don't have to work only in html code (\$300)
- **February 2012** ~ ICL user satisfaction survey was designed and mounted on SurveyMonkey; added to every page of the ICL Web site (\$85); survey posted on facebook, Twitter and LinkedIn
 - ~ some wording on search screen was edited (\$21.25)
 - ~ Ann Kempke has updated the subject help file and submitted it to the Editor and Co-editor for review and incorporation into the current help files; this will result in a more robust document to better assist indexers
- **March 2012** ~ Anne Taylor-Vaisey and Phyllis Harvey wrote the ICL Annual Report
- AT-V updated the Chiropractic Library Collaboration blog

Basic Information

Founded	1979
About	Helping chiropractic clinicians, educators, students and researchers find the literature they need, since 1979
Company Overview	The primary goal of the Index to Chiropractic Literature is to provide indexing of the peer-reviewed literature produced by chiropractic publishers. ICL is indexed by members of the Chiropractic Library Collaboration (CLC), a subgroup of the Association of Chiropractic Colleges. CLC members are health sciences librarians from chiropractic colleges throughout the world.
